

Growing Forward 2

BMP Request Form

Environmental Farm Plan Program

The Growing Forward 2 (GF2) Environmental Farm Plan Program (EFP) offers incentive funding to eligible B.C. farmers and ranchers to support new implementations of beneficial management practices (BMP's) to reduce agriculture's impact on the environment. Click [here](#) to view a list of current BMP categories.

Requests to have new BMPs added to the program are reviewed twice a year by the EFP Industry Advisory Committee. Requests endorsed by the committee are provided to government for review. Approved BMP requests are reflected within the program's BMP guide as soon as they become active. Applicants will be notified in writing if their BMP request has been approved.

Complete this form to request a new BMP. Please e-mail your completed form to application@ardcorp.ca
