

2019-20 BENEFICIAL MANAGEMENT PRACTICES APPLICATION CHECKLIST

Farmers/Ranchers apply to the BMP Program on their own (with no Planning Advisor involvement).

1. Application must be complete, if not the Program will provide limited resources to assist in helping producers understand what a “complete application” is via the checklist noted below.
2. If the application is incomplete the producer will be informed of the deficiency via letter or email. It will not be processed until the application is considered complete.
3. Funds will only be held for applications that are complete and approved.

Farmer/Rancher can seek the assistance from a Planning Advisor (PA) to complete an application and/or complete and submit on behalf of the applicant.

1. Application must be complete, the Program will not provide resources to assist in completing the application.
2. PAs complete the “check list”, which accompanies application.
3. If the application is incomplete the producer and PA will be informed of the deficiency (via letter or email). It will not be processed until the application is considered complete.
4. Funds will only be held for applications that are complete and approved.
